Resilience Is My Superpower, It Can Be Yours, Too

relocate the president's office to the Lake Wobegon Trail—halfway between the institutions to enhance stronger integration efforts.

"This new location will be a great way for not only the president to get to know community members and animals of St. Joseph and Collegeville but also become one with nature.

the snow melts. The office will primarily be made of wood from the Arboretum, further emphasizing the openness and welcoming

George officially named as school mascot

A unanimous vote from the student senators brought George Bruess to puppy fame, as he was crowned as CSB+SJU's mascot. Since his arrival on campus, George has become a paw-some member of CSB+SJU.
