Willing to Do ANYTHING TO DEFEAT the Other Party

UNWILLING to Admit Few, If Any, Faults
More IN COMMON Than We Think!

BA brings Americans together to bridge the partisan divide.

We try to understand the other side’s point of view.
We engage those we disagree with, looking for common ground.

Red and blue leaders are equally represented.

We strive to be an organization that reflects the country we seek to serve.

THE RESULTS?

We Reduce Affective Polarization

70-80% say:
• Better Understanding
• Increased Positive Attitudes

Goal is NOT to Change Views on Issues
We DO Change Views of Each Other
