PROFESSIONAL EDUCATION

For individuals and organizations that believe learning never ceases, and are seeking far more than just a degree, Butler+ is a flexible and innovative professional learning experience.

We foster a tight-knit community, offer dynamic partnership models, and create networking opportunities in an immersive, future-focused learning environment.

Butler+ is a collaborative approach to professional education, solutions powered by Butler University, tailored to the needs of industry partners like you.

Demand-Driven Programs Supporting Indiana's Growth

Indianapolis and Indiana are on an economic ascent, creating increased demand for the qualified talent that Butler+ will produce.

A Centralized Hub for Professional Education

Butler+ is the digital front door for students and employers to discover extended-access education solutions for the next stage of their career.

Next-Level Industry Connections

Tapping into Butler University's rich network of industry, government, and NGO partners, Butler+ curriculum is designed to meet the needs of an evolving job market.

A COMMUNITY THAT'S RETHINKING PROFESSIONAL LEARNING.

> "My expectations of the Butler Data Literacy program were exceeded from day one. At Community, we have seen a significant increase in data literacy amongst the individuals that have completed the program and with the completion of each cohort, a significant increase in additional caregivers excited to take the next course offering!"
>
