

Application for a NetVUE Vocation Workshop

The NetVUE Vocation Workshop program brings learning opportunities to campus by working with on-campus teams to provide content and support for vocation-related projects in the form of a facilitated workshop.

Application Instructions

Please select one of the available workshops from the NetVUE Vocation Workshop website (www.cic.edu/vocation-workshops) or discuss possible alternative workshops with Rachael Baker (rbaker@cic.edu) prior to submitting an application. Institutions are welcome to make suggestions for possible leaders, however, NetVUE will help make the final determination for the leader, including considerations such as availability and geographic proximity.

Please complete this form and submit to Rachael Baker at rbaker@cic.edu.
