

*The first national AI conversation continues among independent institutions in 2026–27 through CIC’s AI Ready network, with brand new topics, a defined approach, and deep reach into campuses*

## What is AI Ready?

The Council of Independent College’s (CIC) offers three unique programs, which all include credentials for your entire **faculty AND staff** to ensure AI Readiness **across every level of leadership**:

- **All Campus Essentials**, an opportunity to learn about and engage with nine of the most pressing topics over 12 months, structured so all areas of your campus can benefit and participate.
- **Leading the AI Charge**, a monthly working community for select campus leaders driving AI adoption, where the conversation moves from what AI is to what your institution does next.
- **Bot Cohort Sprints** for the super users on your campus to apply and advance their skills using AI tools.
- ...**BONUS** with every program **500 Google AI Coursera licenses** in AI education per campus so everyone can learn the basics and get up to speed.

## Program Details

Program	Topic	About	Audience	Cost
Google AI Credentials	500 credentials on AI learning	Powered by Google, enough to credential all personnel	Everyone on campus, faculty, staff, and/or students	Included with sign-up of <b>ANY</b> program
All Campus Essentials	Broad AI foundational education for all faculty and staff	Monthly 60-min webinars series for a full year	All faculty and staff	\$2,500
Leading the AI Charge	Strategy and culture change support for senior leaders	Monthly 90-min community of practice for a full year	Senior campus leaders (presidents, provosts, CAOs, CTOs)	\$4,000
Bot Cohort Sprints	Building reusable AI tools for your institution	Quarterly 3-week AI tool building intensives	Campus AI super users, up to 3 per campus	\$1,500

## Questions?

- Matt Trainum, vice president for strategic networks and partnerships, [mtrainum@cic.edu](mailto:mtrainum@cic.edu)
- Sabrina Sturgeon, AI adoption and innovation specialist, [ssturgeon@cic.edu](mailto:ssturgeon@cic.edu)
